Ava Elaine was born with a condition unheard of by many who will read her story: congenital diaphragmatic hernia, or CDH. She began her journey on October 22, 2010. From the moment she came into my life, with her amazing, beautiful red hair and pretty blue eyes, I knew pure love. After one brief moment of skin-to-skin touch with her, she was whisked from my arms to a waiting team of doctors and nurses and put on a ventilator. Ava's courageous battle against seemingly insurmountable odds tells the story of her amazing impact on the lives of her family, friends, doctors, nurses, and even complete strangers. From her delivery at Parkland to the NICU at Children's Medical Center in Dallas, she touched the lives of everyone who came to know her. "Ava quickly got a reputation for being a fighter. From the time she entered the NICU, Ava clenched her little fists in preparation for her fight. Grandpa bought her a set of pink boxing gloves, and Team Ava was always standing at the ready in her corner. The staff at the hospital marveled at her ability to overcome a number of obstacles and difficult medical procedures. She would surprise us all, by telling us in her own way that she was not giving up without a fight." —Elias Lopez, chaplain, Children's Medical Center In the words of Dr. James Thomas, "Ava was endowed with a unique grace that those who knew her could feel. Perhaps Ava was a vehicle for a greater force or maybe she possessed a larger-than-life charisma." How could one little girl's battle for life have such a life-changing effect on those who loved her?

*Angels and Wonders* - Joan Wester Anderson 2009-03-09

Sometimes, the only answer is an angel. As a woman flees an abusive boyfriend, her gas tank on empty, money materializes in her empty purse. Millions of fireflies suddenly appear and offer guiding light to desperate refugees trying to find a path through a mountain storm. Two women strongly sense that a missionary priest, far away, needs prayer at the exact moment when he faces catastrophe. These are just a few of the more than thirty true stories recounted in *Angels and Wonders*, a book that points readers to the spiritual realm for answers to otherwise inexplicable occurrences. For anyone inclined toward spirituality,

each amazing story provides further proof of God's heavenly care in difficult times; for those who aren't sure if heaven really does intervene on earth, this book provides plenty of reasons for them to doubt their disbelief.

**Let Go, Let Miracles Happen** - Kathy Cordova 2003-11-01

Author Kathy Cordova was an overworked, stressed-out sales executive. After the birth of her first child, a colicky baby who went through a number of nannies, Cordova finally figured out the Universe was giving her a message--give it up. She quit her job to become a full-time mom. And as she adjusted to her new life, Cordova learned the power of miracles through the art of surrender. Part I of *Let Go, Let Miracles Happen* shows readers that surrender is much more powerful--and effective--than constant striving, or toughing it out at all costs. Based on wisdom drawn from the Bible and contemporary books such as *A Course in Miracles*, Cordova tells how she discovered and came to accept surrendering her own life. She guides readers to experience how surrender can actually make them stronger. Hard to believe in our go-go culture, but literally doing nothing, and fully and deeply accepting circumstances, is often a wiser course of "action." The power of waiting, while accepting and surrendering, produces miracles. "The good news is miracles," Cordova writes. "Instead of working so hard to find or create magic in our lives, we can relax, go with the flow, work together in harmony with a greater power than ourselves, and experience more joy and purpose than we ever imagined. And the formula is simple--love and surrender." Part II of *Let Go, Let Miracles Happen* is an inspirational collection of stories from people who have suffered everything from addictions to terminal diseases, profound disappointments to perpetual disillusionment, and triumphed. Cordova shows that what they all have in common is that when they learned to surrender, let go, accept and wait, miracles happened.

*Miracles Happen ... Sometimes* - Cliff Koch 2008-06

Anorexia and bulimia are eating disorders not to be taken lightly. This is a true account of one person's incredible journey of survival once the residual effects take over the body. It appears fashionable for adolescence, young adults even pre-teens to experiment in such self destructing behavior without fully knowing the consequences. In Pam's case, her vascular disease lead to the amputation of both feet, all fingers including the thumb amputated and the tips of two fingers on her right had as well. Her respiratory condition lead to only 35% capacity of use of her lungs. She suffered from kidney failure resulting in her being dialyzed three times a week. There were times she would slip into a coma while the doctors did not know whether or not she would survive. Of course, there were plenty of set backs where she ended up back in I.C.U and had to start the recovery process all over. Her greatest wish was to become healthy so she could return home. Her second wish was to tell everybody around her about her sickness and feelings.

**MIRACLES HAPPEN EVERY DAY** - ,Bill 2018-07-27

This is a true story of faith, hope, and love that happened to two average people who came from small towns in Iowa, the heartland of America. God has blessed both of us with miracles, time and again, asking nothing in return except for love and reverence for Him. This is our testimony. As we look back at our lives, it often becomes clear that God intervened, at times and in ways that we did not understand. His plans for us aren't always or even very often understood, but they are always perfect, and all we have to do is believe, have faith, and trust Him. While reflecting on our lives, we decided that the story of how God had blessed us so abundantly, time and again with true miracles, had to be told. This book was born with the goal to glorify God in thankful praise for His blessings to our lives and to give hope to all those facing life's challenges every day. Never give up! God does answer prayer and we are living proof of His grace and love. *Miracles do happen every day*. Never stop believing.

How should we react when prayers for healing aren't answered? In this warm and accessible book, Tim Chester looks at the Bible's view of the existence and purpose of miracles and gives a careful and balanced view on whether healings and other miraculous things happen today. It will help Christians to explore these questions and others regarding miracles, signs and wonders, and know how to pray. Includes additional questions on: • Why did Jesus tell people not to tell others about his miracles? • How should I respond when I hear a claim that a miracle has happened? • Should we hold healing services? • What can I say to a child about praying for healing?
