[Business Advantage Upper-intermediate Student's Book with DVD](#) - Michael Handford
2011-10-27

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for

tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Upper-intermediate level books include input from the following leading institutions and organisations: the Cambridge Judge Business School, the Boston Consulting Group, Nokia, Dell, and Havaianas - to name but a few. The Student's Book comes with a free DVD of video case studies.

English for Academic Correspondence and Socializing - Adrian Wallwork
2011-06-08

English for Academic Correspondence and Socializing is the first ever book of its kind specifically written for researchers of all disciplines whose first language is not English. With easy-to-follow rules and tips,

and with authentic examples taken from real emails, referee's reports and cover letters, you will learn how to:

- use strategies for understanding native speakers of English
- significantly improve your listening skills
- organize one-to-one meetings
- feel confident at social events
- manage and participate in a successful conversation
- write effective emails
- review other people's manuscripts - formally and informally
- reply effectively and constructively to referees' reports
- write cover letters to editors
- use the telephone and Skype
- participate in (video) conference calls
- exploit standard English phrases

Other books in the series:
English for Presentations at International Conferences
English for Writing Research Papers
English for Research: Usage, Style, and Grammar
English for Academic Research: Grammar Exercises
English for Academic Research: Vocabulary Exercises
English for Academic Research: Writing Exercises

Business Email - Marc Roche
2019-05-02

About this Professional Email
Book INCLUDES 100 +
BUSINESS EMAIL
TEMPLATES. BUSINESS
EMAIL: BUSINESS ENGLISH
WRITING ESSENTIALS

Professional emails are too important to mess up. They are evidence of something that you said or did, and as such, they can be your best friend or your worst nightmare. Every day a staggering amount of business communication takes place. This book will help you not only write more professional business e-mails but also improve your overall business English. "Know your context as well as your audience." Like everything in life, emails are not created equal. The same email can be digital gold or digital poop depending on the situation in which it's deployed, so you must always pay attention to context. Even if you send exactly the same email to the same audience, in a different context they will interpret your email differently, as they will approach it with a

different mind-frame, together with a different set of beliefs and expectations. When you approach an email in a business setting, the first thing to do is to decide exactly what you want from the exchange and then, what context you are writing in. Is this a close colleague but there is a not-so close colleague included into the email exchange? Is this an invitation to have drinks after work with someone who has worked with you for years and has suddenly decided to change paths in their career? Are you about to fire someone you respect immensely? Are you sending a group email to organise a meeting, or are you asking someone to pay you because they haven't paid their invoice on time again? All these things matter, and are particularly important because you don't have the benefit of body language or facial expressions when you write. People also tend to forget verbal exchanges more readily, but the written word is powerful. "The pen is mightier than the sword..." (Edward

*Downloaded from

by guest*

Bulwer-Lytton) and people will judge you based on how you use your pen. I could not possibly list all the people who have influenced me through their work, but I will try to mention a few of the ones who spring to mind in no particular order. These are my business heroes, and without their contribution through their work, I would never have been able to write this book. If you have never read their books, and are interested in business and entrepreneurship, I implore you to go out, and buy them and read them over, and over again. Gary Vaynerchuk Pat Flynn Dan Meredith Timothy Ferriss Dale Carnegie Danny Rubin Hassan Osman Megan Sharma William Strunk Jr. If I could write a note of advice about emails and business communication to the 25-year old Marc, I would probably send him the following checklist. I wish someone had told me all this.

1. Forget your ego. Never write with the objective of impressing someone, even if that someone is you!

Sometimes we write and then re-read what we have written a few times, then we give ourselves a mental round of applause before sending it. The problem is, our priority wasn't communication in this scenario, it was to feed our ego. Trying to impress people with long over-complicated sentences and words has the opposite effect. Always keep clear communication and context in mind in every exchange.

2. Aim to explain difficult concepts or problems in a simple easy-to-understand way. This shows intelligence, because it means you have digested the concepts and are skilful enough to explain them. When you make concepts sound more complicated than they are, it gives people the impression that you don't understand, because you probably don't.
3. If it's not relevant to the situation or the decision being made, don't mention it, it will clutter your communication and could cause confusion.
4. When you need to write important or sensitive emails, stick to the

facts. Your emotions or opinions are not important or relevant in most cases.

Business English - Rosalia Covello 2014-04-10

This Business English Course introduces different aspects of Business English, working on main language points and important vocabulary through a variety of topics.

How to Write Effective Business English - Fiona Talbot 2009-09-03

How to Write Effective Business English gives guidance to both native and non-native English speakers on how to express yourself clearly and concisely. With case studies and real-life examples that demonstrate how English is used internationally in business, and full of ideas to help you get your communications right first time, How to Write Effective Business English sets the scene for describing the benefits of good Business English, ideal for multinational companies where communication is a priority. For native English speakers, it may mean un-

learning things you were taught at school and learning how to save time by getting to the point more quickly in emails; for elementary to immediate English speakers, it focuses on the areas that are easy to get wrong. How to Write Effective Business English draws on the author's wealth of experience, using real-life international business scenarios to develop your skills and provide you with some answers that even your boss might not know. You will learn a system to help you quickly and easily write emails, letters, CVs and more. Featuring sections on punctuation and grammar, and checklists to help you assess how you are getting on before moving on to the next stage, How to Write Business English has been praised by both native and non-native writers of English as an indispensable resource.

Grammar for Business with Audio CD - Michael McCarthy 2009-11-26

Essential grammar reference and practice for anyone using English in a business context.

Downloaded from
titlecapitalization.com on
by guest

Grammar for Business is a must-have for intermediate business students and anyone using English in the workplace. It provides clear explanations and authentic practice of the most essential language used in business English. Designed to help you improve your communication skills in real business situations, it includes a unique focus on spoken as well as written grammar, and practical tips on areas such as organising presentations, negotiating and giving your opinion. Ideal for classroom use and self study.

Send (Revised Edition) - David Shipley 2008-09-02

Send—the classic guide to email for office and home—has become indispensable for readers navigating the impersonal, and at times overwhelming, world of electronic communication. Filled with real-life email success (and horror) stories and a wealth of useful and entertaining examples, Send dissects all the major minefields and pitfalls of email. It provides clear rules for

constructing effective emails, for handheld etiquette, for handling the “emotional email,” and for navigating all of today’s hot-button issues. It offers essential strategies to help you both better manage the ever-increasing number of emails you receive and improve the ones you send. Send is now more than ever the essential book about email for businesspeople and professionals everywhere.

Company to Company
Teacher's Book - Andrew Littlejohn 2005-10-13

Company to Company is for anyone studying or working in business, commerce or administration who needs to correspond in English. It is particularly suitable for learners at the lower-intermediate and intermediate levels, but more advanced learners who are unfamiliar with business correspondence will also find it invaluable. The fourth edition of this highly successful course contains thoroughly updated content and includes extensive work on email correspondence. It

BUSINESS EMAIL: WRITE TO WIN. Business English & Professional Email Writing Essentials: How to Write Emails for Work, Including 100+ Business Email Templates
Successful Business Writing. How to Write Business Letters, Emails, Reports, Minutes and for Social Media. Improve Your English Writing and Grammar.
I - Heather Baker 2012-02

Successful business writing is essential to help you communicate your ideas. This book enables you to plan, prepare and express your thoughts in a clear and persuasive way. There is a guide to good English and grammar. How to write business letters, emails, reports, minutes and social media. The book has lots of exercises and is easy to read.
English for Emails - Rebecca Chapman 2007

Glocal English - Farooq A. Kperogi 2015-06-22

Glocal English compares the usage patterns and stylistic conventions of the world's two dominant native varieties of English (British and American English) with Nigerian English, which ranks as the English world's fastest-growing non-native variety courtesy of the unrelenting ubiquity of the Nigerian (English-language) movie industry in Africa and the Black Atlantic Diaspora. Using contemporary examples from the mass media and the author's rich experiential data, the book isolates the peculiar structural, grammatical, and stylistic characteristics of Nigerian English and shows its similarities as well as its often humorous differences with British and American English. Although Nigerian English forms the backdrop of the book, it will benefit teachers of English as a second or foreign language across the world. Similarly, because it presents complex grammatical concepts in a lucid, personal narrative style, it is useful both to a general and a specialist audience, including people who

study anthropology and globalization. The true-life experiential encounters that the book uses to instantiate the differences and similarities between Nigerian English and native varieties of English will make it valuable as an empirical data mine for disciplines that investigate the movement and diffusion of linguistic codes across the bounds of nations and states in the age of globalization.

English for Personal Assistants - Annie Broadhead
2007-12-18

This book is specifically aimed at German-speaking secretaries, PAs, and management assistants who need to speak English in their daily work. This book enables you to deal with a range of challenging situations in the most effective and efficient way. It provides guidelines, models, and expressions contextualised in realistic situations that you can dip into on a need-to basis.

English at Work - Ellen Jovin
2019-09-17

This Grammar Guru will solve

the world's problems. Or, at least, help you figure out when to use an Oxford comma. The New York Times Put your English skills to work for you! This book is ideal for intermediate and advanced (CEFR B1-C1) nonnative speakers of English seeking to increase their communication confidence and effectiveness in the workplace. Improve your precision and professionalism so your ideas shine! The book consists of 50 short quizzes which include the most common English errors made by nonnative speakers in professional environments. This fun format allows you to find your own frequent errors and fix them. You will test your skills quickly, daily, and build your language awareness and accuracy in writing and speaking English. Short, clear explanations after each quiz help you improve your knowledge of the grammar rules. Complementing the quizzes are Ellen says boxes with the same practical advice on good communication etiquette and habits that Ellen

has been sharing for years with large corporate clients in New York City and beyond. Witty and humorous drawings illustrate confusing language and common misunderstandings. The focus of the exercises is on fixing your grammar and problems with word choice. Examples are pulled from every industry: finance, law, consulting, publishing, real-estate, retail, technology, energy, pharmaceutical, manufacturing, education, advertising, government, insurance, non-profit, and more. Whatever your profession or interest, you will benefit from the exercises contained in this book. If you are just looking to sharpen your English, this book is for you, too. You will be learning from a professional writer with two decades of experience teaching executives in a business setting. A language-learner herself who has studied some two dozen languages, Ellen Jovin has written this book to help motivated working adults advance their business

English on their own time and at their own pace.

Business Talk English - Stuart Dean 2008

Business Writing For Dummies - Natalie Canavor
2013-09-30

A guide to successful business communication describes how to draft effective letters, emails, and proposals; adapt one's writing style to an audience; and self-edit and troubleshoot documents.

Global Teams - Jo Owen
2016-12-05

Working for a matrix international organisation, with its ensuing diverse global teams, based in a variety of geographic locations is a fact of life for most leaders and managers today. These teams may be permanent, or they may come together temporarily to deliver a specific project. The challenges of making decisions,

setting goals, communicating, building trust and managing the team are far harder when you are separated by time, language, culture and priorities. Global Teams will enable leaders, teams and organisation to deal with the challenges they face: · How can you ensure that your global team delivers results? · How do I trade off our local goals and priorities versus the global priorities? · How do I find out what is really going on and how it will affect me? · Can I trust top management to support my agenda and me personally? · How can I lead people who I do not see and are not like me? Based on original research with some of the world's leading companies, Global Teams is the definitive, practical guide on making the sharp end of globalisation work for you and your organisation. "In this book, Jo Owen provides not only a thorough understanding of what make a "global" organization effective, but also ideas and reflections on how to go about it, in a way that is neither simplistic nor

Downloaded from
titlecapitalization.com on

dogmatic. Great read.”
Bertrand Lavayssiere, Ayres and Co. Strategy Consultancy
“A perk of my job is that I get paid to read and review books. Nothing thrills me more than to know that one of my favourite management authors, Mr Jo Owen, has another book published. I enjoy reading his perspectives on the various aspects of management as he provides insights that can be easily digested by anybody yet has the necessary depth to help you with the skills needed in management. His latest offering showcases research that he has extensively carried out and provides astute insights that will benefit any executive from any level of management, be it middle or senior management. Quickly bookmark this for your “to-read list” as it is a useful, insightful read.” Sadie Jane Nunis, Singapore Institute of Management, Publications Manager
“Jo Owen has done it again - spotted a big gap in the literature and filled it elegantly and effectively with this splendidly readable,

comprehensive, practical, and evidence-based treatment of a topic that is really challenging to our globalizing business world. Packed with great examples and quotes Owen leads the reader through the toughest and most interesting challenges in cross-cultural management: leadership, team dynamics, business context and systems, cultural intelligence and conflict resolution. This should be the first item for global managers to put in their hand luggage.” Nigel Nicholson, Professor, London Business School, author of “The ‘I’ of Leadership: Strategies for seeing being and doing” (Jossey-Bass, 2013)
"Original and practical book on a vital topic which no one has looked at in depth before; simple and clear to read; lots of real world case examples; escapes the normal orthodoxy where globalisation means spreading western practice."
Alberto Forchielli. Managing Partner, Mandarin Capital Partners.

Email and Commercial Correspondence - Adrian

Wallwork 2014-06-20

If you write emails and letters as part of your work, then this book is for you. By applying the suggested guidelines, you will stand a much greater chance of getting the desired reply to your emails in the shortest time possible. Some of the key guidelines covered include:

- Write meaningful subject lines - otherwise recipients may not even open your mail.
- Always put the most important point in the first line - otherwise the reader may not read it.
- Be concise and only mention what is truly relevant.
- Write the minimum amount possible - you will also make fewer mistakes!
- Be a little too formal than too informal - you don't want to offend anyone.
- If you have two long important things to say, say them in separate emails.
- Give clear instructions and reasonable deadlines.
- If you need people to cooperate with you, it is essential to highlight the benefits for them of cooperating with you.
- Empathize with your recipient's busy workload.
- Never translate typical phrases

business-english-emails-too-formal

literally - learn equivalent phrases. The book concludes with a chapter of useful phrases. There is also a brief introduction for trainers on how to teach Business / Commercial English.

English for Business

Communication - Mable Chan 2020-01-06

This textbook provides a comprehensive introduction for students and professionals who are studying English for business or workplace communication and covers both spoken and written English. Based on up-to-date research in business communication and incorporating an international range of real-world authentic texts, this book deals with the realities of communication in business today. Key features of this book include: use of English in social media that reflects recent trends in business communication; coverage of the concept of communicative competence; analysis of email

communication; introduction to informal English and English for socialisation as well as goodwill messages, such as thank you or appreciation messages, which are a part of everyday interaction in the workplace; examination of persuasive messages and ways to understand such messages; an e-resources website that includes authentic examples of different workplace genres and a reference section covering relevant research studies and weblinks for readers to better understand the topics covered in each chapter. This book goes beyond the traditional coverage of business English to provide a broad and practical textbook for those studying English in a workplace setting.

Email Discourse Among Chinese Using English as a Lingua Franca - Yuan-shan Chen 2015-10-24

This edited volume makes a valuable contribution to the burgeoning research field of English as a lingua franca. In a pioneering step, the collection is exclusively devoted to the English email discourse of

Chinese speakers. The studies address innovative topics related to various contexts and relationships, using several different approaches and theories, which taken together shed light on how English serves as a lingua franca in multiple types of global written communication. The research topics presented are organized into four thematic sections, including emails from students to professors, emails from students to the international academic community, emails from peer to peer, and emails at the workplace. This collection of empirical research invites readers to consider the special features of apologies, requests, terms of address, politeness, and discourse organization, and how cultural differences may affect the use or interpretation of each. Throughout the book, readers will also discover how Chinese speakers use special features and strategies to construct their identity, establish relationships, and achieve successful communication in English. This highly

informative, thought-provoking book also provides insights on methods for teaching email discourse using English as a lingua franca and suggests directions for future research.

Business Advantage Intermediate Teacher's Book - Jonathan Birkin 2012-01-26

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. The Teacher's Book comes with photocopiable activities, progress tests, and worksheets

for the DVD which accompanies the Student's Book.

Reconceptualizing English for International Business

Contexts - Elma Dedović-Atilla
2022-08-05

This book presents a critique of current English as a Business Lingua Franca (BELF) practices using research conducted in Bosnia and Herzegovina. The authors identify English communication behaviors that hinder or promote success in the workplace, and trace these back to curricula and teaching practices. The authors suggest which skills employers need and expect from employees, and question whether English courses concerned with general academic English skills and business vocabulary are sufficient training for linguistically-complex workplaces. The book also examines whether the focus on achieving native-like proficiency with high grammatical standards and a strong emphasis on form are adequately preparing students

who aspire to use English in professional contexts as a means to 'get their job done'.

Business English - University of Delhi

Written from an Indian perspective, Business English prepares students for the emerging global business sector by making them aware of the need to adopt a sensitive approach towards business communication. Its unique pedagogical features include illustrations; practical guides; boxes with easy references; exhaustive examples that reflect the changing business world; charts and diagrams as value-addition to the text; and exercises to help in improving linguistic skills.

Cambridge Business English Dictionary - Roz Combley 2011-11-10

The most up-to-date business English dictionary created specially for learners of English.

Using English - Janet Maybin
2020-11-25

Using English provides an invaluable introduction to the study of English for students of language and linguistics. It examines the way in which the English language is used today in different contexts and in many parts of the world, by both native and non-native speakers. Issues of language use in speech and writing, in work and play, and in persuading and informing are explored and illustrated with data and readings from around the English-using world. The reader is introduced to the adaptations and variations in English language use and to debates relating to how these are perceived and evaluated by different groups of users. For this second edition, key material from the earlier bestselling book, *Using English: From Conversation to Canon*, has been reorganized and updated, and entirely new

material has been introduced. This new content is based on recent research in the field, as well as on contemporary thinking about how speakers and writers use the English language to accomplish a huge range of purposes in a variety of linguistic and cultural settings. Drawing on The Open University's wide experience of writing accessible and innovative texts, this book: explains basic concepts, easily located through a comprehensive index, includes contributions by experts in the field, such as Mike Baynham, Adrian Beard, Guy Cook, Sharon Goodman, Almut Koester, Janet Maybin and Neil Mercer, contains a range of source material and commissioned readings to supplement chapters.

Introducing Business English - Catherine Nickerson
2015-09-16

Introducing Business English provides a comprehensive overview of this topic, situating the concepts of Business English and English for Specific Business Purposes

*Downloaded from
titlecapitalization.com on

within the wider field of English for Special Purposes. This book draws on contemporary teaching and research contexts to demonstrate the growing importance of English within international business communication. Covering both spoken and written aspects of Business English, this book: examines key topics within Business English, including teaching Business English as a lingua franca, intercultural business interactions, blended learning and web-based communication; discusses the latest research on each topic, and possible future directions; features tasks and practical examples, a section on course design, and further resources. Written by two leading researchers and teachers, *Introducing Business English* is a must-read for advanced undergraduate and postgraduate students studying Business English, Business English as a Lingua Franca, and English for Specific Business Purposes.

Communicating in English -

Daniel Allington 2022-10-30
Communicating in English: Talk, Text, Technology looks at how people use spoken and written English to communicate in their everyday lives. Exploring the complex relationship between communication, technology and the English language, this book offers the reader practical insights into the analysis of speech and writing. A wide range of examples is provided, ranging from text messages and domestic quarrels to the works of Shakespeare and the words of Martin Luther King. This book takes a fresh look at established topics such as rhetoric, language acquisition, and professional communication, as well as covering exciting new fields such as everyday creativity, digital media, and the history of the book. Key theoretical concepts are introduced in an accessible manner, and the reader is given an in-depth understanding of English-language communication in its social and historical contexts. Drawing on the latest research

and on the Open University's experience of producing accessible and innovative texts, this book:

- explains basic concepts and assumes no previous study of English studies, communication studies or linguistics
- features a range of source material and commissioned readings to supplement chapters
- includes contributions from leading experts in their fields, including Naomi Baron, Deborah Cameron, Guy Cook, Janet Holmes and Almut Koester
- has a truly international scope, encompassing examples and case studies from Europe, North America, Africa, Asia, and Australasia
- is illustrated in full colour and includes a comprehensive index.

Communicating in English: Talk, Text, Technology is essential reading for all students of English language studies or communication studies.

HBR Guide to Better Business Writing (HBR Guide Series) - Bryan A. Garner 2013-01-08

DON'T LET YOUR WRITING HOLD YOU BACK. When you're fumbling for words and pressed for time, you might be tempted to dismiss good business writing as a luxury. But it's a skill you must cultivate to succeed: You'll lose time, money, and influence if your e-mails, proposals, and other important documents fail to win people over. The HBR Guide to Better Business Writing, by writing expert Bryan A. Garner, gives you the tools you need to express your ideas clearly and persuasively so clients, colleagues, stakeholders, and partners will get behind them. This book will help you:

- Push past writer's block
- Grab—and keep—readers' attention
- Earn credibility with tough audiences
- Trim the fat from your writing
- Strike the right tone
- Brush up on grammar, punctuation, and usage
