It stresses the quality of Mughal territorial expansion, their innovation in land revenue, military organization, and the relationship between the emperors and I

India Since Independence - Bipan Chandra 2008-02-11

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich

and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from

detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Religion, State, and Society in Medieval India - Saiyid Nurul Hasan 2005

The collected essays of Nurul Hasan cover a wide range of topics in medieval Indian history: historiography and new sources; state, religion, and the ruling class; and urban and rural life.

Medieval India: From Sultanat to the Mughals-Delhi Sultanat (1206-1526) - Part One - Satish Chandra 2004

The present work is a broad survey of political, social, economic and cultural developments in India between 1206 and 1526. These three and a

quarter centuries, called the Delhi Sultanat, is sometimes seen as a dark age of war and rapine in which little developments took place.

State, Society, and Culture in Indian History

- Satish Chandra 2012-02-02

This book explores the complex linkages between state, society, and culture in medieval and modern India. It discusses issues like secularism, composite culture, pluralism, historiography, and the use of sources.

India's Ancient Past - R.S. Sharma 2006-09-18

This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries,

Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.

This book examines the economic, cultural, political and social positions of Muslim women in medieval India. It explores the changes that took place with the advent of Arabs, Turks, Mongols, Tartars, Afghans and Persians whose customs and traditions influenced the existing Islamic society. Though Islam improved the position of women by instituting many reforms, the Islamic religious texts laid down the minutest code of conduct for women, the slightest deviation from which was considered irreligious. Such rigidity, coupled with the apathy of the ulemas, led to the weakening of position of women. The book goes on to show how the diktats of the Quran were subjected to many interpretations down the ages, affecting the status of women in various ways.

Essays in Medieval Indian Economic History -

Satish Chandra 2015-10-10

Essays in Medieval Indian Economic History is part of a three-volume set, comprising representative articles of Indian History Congress Proceedings (1935-85). In their analysis of the economic history of India during the thirteenth-eighteenth centuries, the essays in this volume delineate a shift from the studies of policies to the working of the revenue system,

and its impact on the lives of the Indian people. Further, they highlight patterns and trends of agricultural production, the role of Madadd-i-ma'ash holders, and institutions involved in agricultural expansion and improvement, and the incidence of rural taxes. The scholarship also marks the growing interest in urban studies, and in the structure and role of the business community in India, in relation to the growth of the economy in India, and its relationship to the State. Several essays deal with subjects as diverse as coinage and mints, and the international debate on the impact of the European trading companies and their system of armed trade and monopoly on the Indian economy and the Indian business community.

Early Medieval Indian Society (pb) - R.S. Sharma
2003

The book analyses the transition from the ancient to the medieval period in polity, economy, the caste system and culture. It examines the form of peasant protest and the

reasons for their failure and infrequency. The author also examines the development of tantrism and the mentality that feudalism created.

The Routledge Handbook of Education in India - Krishna Kumar 2021-09-30

This comprehensive handbook introduces the reader to the education system in India in terms of its structural features, its relations with society and culture, and the debates that have shaped the present-day policy ethos. The book provides an overview of major debates that have shaped India's education systems, as well as the significant issues within higher and school education, education studies, and policies. Expert scholars provide a lucid analysis of complex themes such as the equity, access, and the quality of education. The volume also examines legal provisions and policies shaping the distribution structure and curricular issues in major areas of knowledge, as well as the provision of schools for the marginalised,

economically weak, and people with disabilities. This new edition includes an analysis of the private sector's participation in higher education and the technical and vocational education and training systems in India. This handbook will serve as a valuable resource and guide to educators and public policy practitioners seeking information about India's contemporary educational challenges. It will also be useful to scholars and researchers of education, public policy and administration, sociology, and political studies, as well as think-tanks, the media, policy-makers, and NGOs.

Medieval India: From Sultanat to the Mughals Part - II - Satish Chandra 2005

A Broad Survey Of Political, Social, Economic And Cultural Developments In India Between 1206 And 1526 With Emphasis On Economic, Social And Cuoltural Aspects. Attempts To Bridge The Gap Between Current Hisotrical Research And Popular Perception Of The Controversial Phase. 14 Chapters And Matters.

Islamic Gunpowder Empires - Douglas E.

Streusand 2018-05-04

Islamic Gunpowder Empires provides readers with a history of Islamic civilization in the early modern world through a comparative examination of Islam's three greatest empires: the Ottomans (centered in what is now Turkey), the Safavids (in modern Iran), and the Mughals (ruling the Indian subcontinent). Author Douglas Streusand explains the origins of the three empires; compares the ideological, institutional, military, and economic contributors to their success; and analyzes the causes of their rise, expansion, and ultimate transformation and decline. Streusand depicts the three empires as a part of an integrated international system extending from the Atlantic to the Straits of Malacca, emphasizing both the connections and the conflicts within that system. He presents the empires as complex polities in which Islam is one political and cultural component among many. The treatment of the Ottoman, Safavid,

and Mughal empires incorporates contemporary scholarship, dispels common misconceptions, and provides an excellent platform for further study.

India: The Ancient Past - Burjor Avari

2016-07-01

India: The Ancient Past provides a clear and systematic introduction to the cultural, political, economic, social and geographical history of ancient India from the time of the pre-Harappan culture nine thousand years ago up until the beginning of the second millennium of the Common Era. The book engages with methodological and controversial issues by examining key themes such as the Indus-Sarasvati civilization, the Aryan controversy, the development of Vedic and heterodox religions, and the political economy and social life of ancient Indian kingdoms. This fully revised and updated second edition includes: Three new chapters examining the differences and commonalities between the north and south of

India; Extended discussion on contested issues, such as the origins of the Aryans and the role of feudalism in ancient India; New source excerpts to introduce students to the most significant works in the historiography of India, and questions for discussion; Study guides, including a list of key issues, suggested readings and a selection of internet sources for each chapter; Specially designed maps to illustrate different time periods and geographical regions This richly illustrated guide provides a fascinating account of the early development of Indian culture and civilization that will appeal to all students of Indian history.

PUBLIC ADMINISTRATION 2017 Solved PAPER-2 PUBLIC ADMINISTRATION 2016 Solved PAPER-1 PUBLIC ADMINISTRATION 2016 Solved PAPER-2 PUBLIC ADMINISTRATION 2015 Solved PAPER-1 PUBLIC ADMINISTRATION 2015 Solved PAPER-2 PUBLIC ADMINISTRATION 2014 Solved PAPER-1 PUBLIC ADMINISTRATION 2014 Solved PAPER-2 PUBLIC ADMINISTRATION 2013 Solved PAPER-1 PUBLIC ADMINISTRATION 2013 Solved PAPER-2 STRATEGY FOR PUBLIC ADMINISTRATION Suggested Reading Books for Public Administration Detailed Syllabus of Public Administration Climate of Conquest - Pratyay Nath 2019-06-28 What can war tell us about empire? In Climate of Conquest, Pratyay Nath seeks to answer this question by focusing on the Mughals. He goes beyond the traditional way of studying war in terms of battles and technologies. Instead, he unravels the deep connections that the

processes of war-making shared with the society, culture, environment, and politics of early modern South Asia. *Climate of Conquest* closely studies the dynamics of the military campaigns that helped the Mughals conquer North India and project their power beyond it. The author argues that the diverse natural environment of South Asia deeply shaped Mughal military techniques and the course of imperial expansion. He also sheds light on the world of military logistics, labour, animals, and the organization of war; the process of the formation of imperial frontiers; and the empire's legitimization of war and conquest. What emerges is a fresh interpretation of Mughal empire-building as a highly adaptive, flexible, and accommodative process.

Medieval India: Delhi Sultanat, 1206-1526 - Satish Chandra 1997

Essays in Medieval Indian Economic History - Satish Chandra 1987

History of Medieval India - VD Mahajan 2007
The book provides a comprehensive account of the social, religious and economic conditions and policies from the Sultanate to the Mughal period in early medieval India. It details the account of the three centuries known for its Islamic influence and rule and the presence of formidable dynasties. The book provides a sound understanding of the history of the period and also evinces the learnings of mutual quarrels and internecine war.

A Comprehensive History of Medieval India - Farooqui Salma Ahmed 2011

Presents a consolidated timeline of medieval India by taking into account the period that marked the end of ancient India, and focusing on the importance of the transitory centuries when Delhi had begun to surface as the new power center, triggering prominent trends in thought and institutions. This book analyzes the nature of social forces, complexity of causation and the interdependence of change and continuity in the

light of the crucial transition from ancient to early medieval India, with the emergence of the Delhi Sultanate and the Vijayanagar-Bahmani kingdoms. Proceeding to detail the most effervescent period in Indian history - the era of the great Mughals - the text provides an insight into the ideological-philosophical basis of the times, focusing on the Sufi and Bhakti movements, and culminates with the rise of the Marathas, the advent of European companies, and the eventual establishment of the British in Bengal. Keeping in mind that the history of medieval India has not moved in a linear fashion, and that much of the period saw phases of expansion and realignment of political attributes, this book contributes to a deeper understanding of the much misread period of Indian history with a view that takes into account the resultant interface between the political, social, economic, religious and cultural elements and devotes to this crucial period the attention it deserves.

Essays on Medieval Indian History - Satish Chandra 2005

In This Volume, One Of India`S Leading Historians Explores The Interconnections Between Society, Economy, Religion, And State In Medieval India. The Essays Reflect-And Have Also Been Responsible For Determining-New Currents In History Writing Over The Last Five Decades.

Medieval Panjab in Transition - Surinder Singh
2022-06-09

This book reconstructs the historical transition in the undivided Panjab during the sixteenth and seventeenth centuries. It shows that the assertion of Mughal and Afghan suzerainty faced sustained resistance from local elements, particularly the autonomous tribes and hill chieftoms. In central plains, Dulla Bhatti mobilized the toilers of his ancestral domain and, leading a relentless fight against the Mughal oppression, became an abiding symbol of resistance in the collective memory. The

multicultural legacy of Panjab evolved through diverse strands of spirituality. The jogis, wedded to monastic discipline, supernatural abilities and land grants, gained acceptance through their exertions for social betterment. The Sabiri and Qadiri silsilas channelized mystical urges towards the technique of prime recitation. The popular verses of Shah Husain, Baba Lal and Sultan Bahu proposed a loving relation with God. The legendary lovers, perishing in the struggles against patriarchal forces, promoted a merger of dissent with spirituality. In the city of Lahore, the material pursuits and cultural life were visible in a mosaic of descriptions, including episodes of social tension. The book understands the upliftment of depressed castes as a defining feature of Sikhism. It places egalitarian concern of the Sikh Gurus alongside the anti-caste protests of Namdev, Kabir and Ravidas. Owing to scriptural authority and congregational equality, the members of depressed castes attained a numerical majority

in the Sikh warrior bands that shook the foundations of the Mughal state. The work relies on evidence from the Persian chronicles, Mughal newsletters, Sufi writings, Sikh literature and Punjabi folklore. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

The Cambridge History of Medieval Music - Mark Everist 2018-08-09

Spanning a millennium of musical history, this monumental volume brings together nearly forty leading authorities to survey the music of Western Europe in the Middle Ages. All of the major aspects of medieval music are considered, making use of the latest research and thinking to discuss everything from the earliest genres of chant, through the music of the liturgy, to the riches of the vernacular song of the trouvères and troubadours. Alongside this account of the core repertory of monophony, The Cambridge History of Medieval Music tells the story of the

birth of polyphonic music, and studies the genres of organum, conductus, motet and polyphonic song. Key composers of the period are introduced, such as Leoninus, Perotinus, Adam de la Halle, Philippe de Vitry and Guillaume de Machaut, and other chapters examine topics ranging from musical theory and performance to institutions, culture and collections.

History of Medieval India - Satish Chandra
2007-01-01

Satish Chandra's History of Medieval India is a comprehensive overview of the history of the Indian subcontinent during the thousand-year period between the eighth and the eighteenth century. History of Medieval India studies this interesting period in Indian history when the land underwent drastic changes, deeply influenced by the invading armies, religious movements and the vicissitudes of the changing political, economic and cultural scene. To tell the history of a land spanning the geographical

dimensions and the political divisions of the Indian subcontinent is in itself a formidable task. Satish Chandra executes this difficult mission with the eye of an enquirer and the pen of a scholar. Both students and interested readers are sure to find this volume, dealing with the histories of the Cholas, Rajputs, the invading Turks, Vijayanagara kings, Bahmanids, Mughals, Marathas and others, an essential reader for understanding the history of medieval India.

A History of Ancient and Early Medieval India -
Upinder Singh 2008

A History of Ancient and Early Medieval India is the most comprehensive textbook yet for undergraduate and postgraduate students. It introduces students to original sources such as ancient texts, artefacts, inscriptions and coins, illustrating how historians construct history on their basis. Its clear and balanced explanation of concepts and historical debates enables students to independently evaluate evidence, arguments and theories. This remarkable textbook allows

the reader to visualize and understand the rich and varied remains of India's ancient past, transforming the process of discovering that past into an exciting experience.

The Oxford Illustrated History of Medieval Europe - George Holmes 2001

Numerous illustrations, maps, and genealogies illuminate the often murky period ranging from the fall of Rome to the dawn of the Renaissance, with discussions of religious, political, economic, and social movements.

The Artisans in 18th Century Eastern India, a History of Survival - Vipul Singh 2005

With special reference to the social and economic conditions in Patna District.

A History of Medieval Heresy and Inquisition - Jennifer Kolpacoff Deane 2011-02-16

This concise and balanced survey of heresy and inquisition in the Middle Ages examines the dynamic interplay between competing medieval notions of Christian observance, tracing the

escalating confrontations between piety, reform, dissent, and Church authority between 1100 and 1500. Jennifer Kolpacoff Deane explores the diverse regional and cultural settings in which key disputes over scripture, sacraments, and spiritual hierarchies erupted, events increasingly shaped by new ecclesiastical ideas and inquisitorial procedures. Incorporating recent research and debates in the field, her analysis brings to life a compelling issue that profoundly influenced the medieval world.

Religion, State, and Society in Medieval India - S. Nurul Hasan 2008-05-14

Written over the span of a lifetime, this collection of S. Nurul Hasan's essays (edited and introduced by Satish Chandra) covers a wide range of topics: historiography and new sources; state, religion, and the ruling class; and urban and rural life. The various essays demonstrate Hasan's varied interests and the evolution of his ideas on medieval Indian history. Satish Chandra's introduction familiarizes the reader

with his personality, achievements, and monumental contribution to Indian history-writing. The section on historiography deals with the manner in which Indian history has been distorted, both in the past, by British imperial historians, and in more current times by Indian communal historians. It also raises the problem of nationalities in medieval India, once a subject of intense debate. Part II of the volume deals with the state, religion, and ruling classes. It offers a new interpretation of Akbar's religious views, and also includes a number of articles on the crucial role of zamindars in medieval India. There is also a well-researched essay on the theory of the Nur Jahan Junta. The third section of the book examines urban and rural life in the period and includes essays on agrarian production and prices of food grain in the territory of Amber. The final section looks at some important sources of late Mughal history, and also considers the Afghan-Mughal conflict.

Warfare in Pre-British India - 1500BCE to

1740CE - Kaushik Roy 2015-06-03

This book presents a comprehensive survey of warfare in India up to the point where the British began to dominate the sub-continent. It discusses issues such as how far was the relatively bloodless nature of pre-British Indian warfare the product of stateless Indian society? How far did technology determine the dynamics of warfare in India? Did warfare in this period have a particular Indian nature and was it ritualistic? The book considers land warfare including sieges, naval warfare, the impact of horses, elephants and gunpowder, and the differences made by the arrival of Muslim rulers and by the influx of other foreign influences and techniques. The book concludes by arguing that the presence of standing professional armies supported by centralised bureaucratic states have been underemphasised in the history of India.

Routledge Handbook of Education in India - Krishna Kumar 2017-10-17

This comprehensive handbook introduces the reader to the education system in India in terms of its structural features, its relations with society and culture, and the debates that have shaped present-day policy ethos. Expert scholars provide a lucid analysis of complex themes such as the equal distribution of educational opportunities, legal provisions shaping the opportunity structure, and curricular issues in major areas of knowledge. The volume provides a general overview of India's education system and examines key and current issues that face higher and school education, the examination system, disciplines of social sciences, curriculum, teachers, law, coaching and unemployment. This handbook will serve as a valuable resource and guide to anyone seeking authentic information about India's contemporary educational challenges in relation to its society, economy and politics. It will be useful to scholars and researchers of education, public policy and administration, sociology and

political studies as well as practitioners, think-tanks, those in media, government and NGOs. **Essays on Medieval India** - Raj Kumar 2003 In this short collection of Essays attempt has been made to present a panoramic view of Medieval India. The essays which our readers could read with interest and enthusiasm. The essays which could give some important information on the period under study. And the essays which can both inform and inspire for reconstructing India of twenty first century. Contents: Introduction, India at the Opening of the Sixteenth Century, Resistance to Islam, Some Chronicles and Chronicles of Medieval India, The Sultanate and the Caliphate, Economic Condition of Medieval India, History, Society and Culture in Medieval India, Medieval Hindu Devotionalism, Medieval Hindu India, The Deccan Policy of Alauddin Khalji, Interaction of Bhakti and Sufi Movements, Tukaram, Ramdas and Shivaji, Rana Pratap, Akbar s Eclecticism and Parliament of Religions, Organisation of

Nobility, The Muslim Ruling Dynasties.
