In high school they were the perfect couple—until the day Georgia left Leo in the cold... Hockey player Leo Trevi has spent the last six years trying to do two things: get over the girl who broke his heart, and succeed in the NHL. But on the first day he's called up to the newly franchised Brooklyn Bruisers, Leo gets checked on both sides, first by the team's coach—who has a long simmering grudge, and then by the Bruisers' sexy, icy publicist—his former girlfriend Georgia Worthington. Saying goodbye to Leo was one of the hardest things Georgia ever had to do—and saying hello again isn't much easier. Georgia is determined to keep their relationship strictly professional, but when a press conference microphone catches Leo declaring his feelings for her, things get really personal, really fast....

Dedicated: A Rhythm of Love Novel - Neve Wilder 2019-02-14

"Our greatest hit is a love song I wrote for my bandmate. And he has no idea." Messy-haired, soulful-eyed, off-kilter lyricist Les Graves holds tight to the hedonist's credo of consumption in every avenue of life. He has trouble staying still, trouble staying sober, trouble turning down a good time-but put a pen in his hand, and he'll set a page on fire. Music was Evan Porter's ticket out of the backwater mud puddle he was born in, the passion keeping him warm as he busked on street corners. Every chord, every song, every ounce of sweat has been devoted to making Porter & Graves a success. He's the level-head, the quiet maestro, the seatbelt that keeps Les from flying too far out of control. And he's getting pretty tired of playing savior. Their onstage chemistry is electric, offstage it's... complicated. After Porter & Graves's third album bombs, the pressure is on for the duo to redeem themselves with their fourth. While sequestered in an East Tennessee cabin to compose, things take a turn for the worse when an event from their past comes back to haunt them in an embarrassingly public fashion and forces them into an unusual position that tests a partnership already hanging by its bloody roots. Can Evan and Les find harmony or will they-and their music career-go down in flames? *Dedicated*, the first standalone in the *Rhythm of Love* series, is a steamy bisexual friends-to-lovers romance featuring semi-kinda forced proximity, a fake relationship, angst, snark, a cock-blocking greenhouse, really poor decisions involving social media, and a HEA guarantee.

Chasing Mr. Wright (Fated Hearts Book One) - Aimee Nicole Walker 2021-09-07

The Best Men - Lauren Blakely 2022-01-18

Bestselling authors Sarina Bowen and Lauren Blakely team up for the first time in an enemies-to-lovers, opposites-attract, irresistibly sexy standalone romance between the best man and the other best man! In my defense, I was left alone with a bottle of single-malt and a life-long penchant for protecting my baby sister. Still, that's no excuse to send ten drunk-texts on why her hasty marriage would be a mistake. If only I had just texted my sister. But nope. I accidentally sent the message to her, her groom, and his super hot wingman. I also used the phrase "super hot wingman," so I'd like to die now. Instead, I have to plan a wedding with the aforementioned hottie and share a too-small guesthouse in steamy Miami. Three days in the sun with the cocky, charming former athlete who likes to push my buttons? Fine, two can play at that let's-infuriate-each-other game. Until Asher ups the stakes with one wildly sexy suggestion. A no-strings fling, then I go back to my single dad life in New York, and he returns to his star-studded one. Sign me up. But the more nights I spend with the other best man, the more I want days too, and that just can't happen. Especially when I find out the real reason why... Contents Include: First times, a secret to-do list, champion-level flirting, fast cars, #eggplants, and two men who look good in formal wear.

Scoring Wilder - R. S. Grey 2014-06-26

With Olympic tryouts on the horizon, the last thing nineteen-year-old Kinsley Bryant needs to add to her plate is Liam Wilder. He's a professional soccer player, America's favorite bad boy and has all the qualities

of a skilled panty-dropper. Not to mention that Liam is strictly off limits; her coaches have made that perfectly clear. But that just makes him all the more enticing.

Good Boy - Jennifer Finney Boylan 2020-04-21

From bestselling author of *She's Not There*, New York Times opinion columnist, and human rights activist Jennifer Finney Boylan, *Good Boy: My Life in Seven Dogs*, a memoir of the transformative power of loving dogs. This is a book about dogs: the love we have for them, and the way that love helps us understand the people we have been. It's in the love of dogs, and my love for them, that I can best now take the measure of the child I once was, and the bottomless, unfathomable desires that once haunted me. There are times when it is hard for me to fully remember that love, which was once so fragile, and so fierce. Sometimes it seems to fade before me, like breath on a mirror. But I remember the dogs. In her New York Times opinion column, Jennifer Finney Boylan wrote about her relationship with her beloved dog Indigo, and her wise, funny, heartbreaking piece went viral. In *Good Boy*, Boylan explores what should be the simplest topic in the world, but never is: finding and giving love. *Good Boy* is a universal account of a remarkable story: showing how a young boy became a middle-aged woman—accompanied at seven crucial moments of growth and transformation by seven memorable dogs. "Everything I know about love," she writes, "I learned from dogs." Their love enables us to pull off what seem like impossible feats: to find our way home when we are lost, to live our lives with humor and courage, and above all, to best become our true selves.

He wants only to bury the past and focus on his career, but he has one last task to complete: pack up his parent's quaint beachside house and put it on the market. Alex Andrews is a budding artist with a penchant for Converse, Cracker Jack, and piercings. Family turmoil sidelines his dreams of finishing art school and building a career in three-dimensional design, and now he's doing whatever he can to keep everyone afloat. When Alex shows up as a part of the moving crew hired to help Rob clean out the house, what should be a simple move becomes far more complex. Because it's not the first time they've met, and their last encounter was memorable for all the wrong reasons. The attraction between them is undeniable and intense, but Rob's hell-bent on pushing everyone away, and Alex is on the verge of spinning out of control. Can a grumpy accountant and a bootstrapping artist find their center of gravity together, or are they on a collision course to heartbreak? Coffee Boy - Austin Chant 2021-06-30

After graduation, Kieran expected to go straight into a career of flipping burgers-only to be offered the internship of his dreams at a political campaign. But the pressure of being an out trans man in the workplace quickly sucks the joy out of things, as does Seth, the humorless campaign strategist who watches his every move. Soon, the only upside to the job is that Seth has a painful crush on their painfully straight boss, and Kieran has a front row seat to the drama. But when Seth proves to be as respectful and supportive as he is prickly, Kieran develops an awkward crush of his own-one which Seth is far too prim and proper to ever reciprocate.

The Newspaper Nanny - Maren Moore 2021-08-20

When I stumbled across my dream job in the classified section of my newspaper, I knew it had to be too good to be true. Turns out it was. Becoming the nanny for the grumpiest hockey coach in the NHL was more like a nightmare. Liam Cartright was infuriating, stubborn, and impossible. Oh, and he happened to be my new boss. I should have signed my resignation with a giant kiss my ass the moment he opened his mouth, but I couldn't. I fell for his little girls before I realized it was happening, and my resolve began to weaken. Our roles were clearly drawn out. He was the boss, and I was the nanny. But then we crossed a line. I wouldn't lose my job over a chiseled jawline and a few stolen kisses. I couldn't. Not when so much was at stake. But Liam was the one who made the rule book, and I had no choice but to play by his rules.

Can I resist her, though? The way she teases me should be a game penalty for interference with my libido. There's this guy... Jason wants me, but he won't admit it. That man looks at me the way a hockey player eyes the lunch buffet after practice—and I love it. But when victory is finally within my grasp, I blow it and humiliate myself. Quick-witted hustler Ghost is no stranger to living dangerously; survival has always been the name of the game. He's just always gone it alone. Now he's got the wrong people breathing down his neck, and the only way out demands placing his trust in the unlikeliest of heroes: Duncan Rook, a gruff cop whose ethics are as solid as his body. Cozying up to a criminal is hardly what Duncan's reputation on the force needs—especially when that criminal is temptation personified. Ghost is Duncan's polar opposite, and the last person he expected to fall for. So then why does every imaginable scenario for taking down their common enemy end with Ghost in his arms? This book is approximately 122,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

Love in the Red Zone - Love Belvin 2016-07-04

Can you tell the difference between a distraction and a blessing? It should be simple, but sometimes what we think is a distraction can actually be a turning of the tide required to bring life full circle, to a place of blessing. Meet Trent Bailey, who is fighting for the right to continue his stellar professional football career after enduring striking legal woes in the recent past. Trent cannot and will not blow his second chance for anyone; after all, this is the blessing he's been praying for. After receiving confirmation that staying focused is all he needs, it's what he aims to do. No distractions. That's until he bumps into two unexpected overnight guests. Jade Matthews is doing everything she can for herself and her young son, Kyree. After journeying through her own bumps in the road, she's finally getting it together. She's doing what she has to do to make sure her family of two stays afloat. Life's setbacks won't stop Jade from providing for her little one, even though she fumbles each pass thrown at her. What starts out as a temporary favor turns into rapid passion. There's one agenda here, but getting to the same meeting point has never been more difficult. Fighting their way through trust and self-esteem issues, the two must meet in the right zone; the red zone, where you may think you're safe, but life has a way of intercepting blessings and...turning the tide.

Hosting her brother's wedding for an MVP guest list is the challenge of Jess Canning's life. Already the family screw-up, she can't afford to fail. And nobody (nobody!) can learn of the colossal mistake she made with the best man during a weak moment last spring. It was wrong, and there will not be a repeat. Absolutely not. Even if he is the sexiest thing on two legs. Blake Riley sees the wedding as fate's gift to him. Jess is the maid of honor and he's the best man? Let the games begin. So what if he's facing a little (fine, a lot) of resistance? He just needs to convince the stubborn blonde that he's really a good boy with a bad rap. Luckily, every professional hockey player knows that you've got to make an effort if you want to score. But Jess has more pressing issues to deal with than sexy-times with a giant man-child. Such as: Will the ceremony start on time, even though someone got grandma drunk? Does glitter ever belong at a wedding? And is it wrong to murder the best man? Caution: May cause accidental aspiration of tea or coffee. Do not read in a public place where loud laughter is inappropriate. Contains hot but hilarious hockey players, puppy cuddling and a snarky pair of underwear.
