The Diary of a Young Girl -
Anne Frank 1996-02-01

THE DEFINITIVE EDITION •

Discovered in the attic in which

she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank

recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Hey, Hey, Hay! - Christy Mihaly 2018-08-14

Every bale of hay has a little bit of summer sun stored in the heart of it— learn from a mother-daughter team how hay is made! Feeding her horses one cold and wintry day, a girl thinks about all the hard work that went into the fresh-smelling bales she's using. The rhyming text and brilliant full-page paintings follow the girl and her mother through the summer as they cut, spread, dry and bale in the fields.

Mower blades slice through the grass./A new row falls with every pass./Next we spread the grass to dry./The tedder makes those grasses fly! This celebration of summer, farming, and family, illustrated by Pura Belpré honor artist Joe Cepeda, includes a glossary of haymaking words, and a recipe for making your own switchel— a traditional farm drink, to cool you down in the summer heat. Doodle Diary - Dawn Sokel
2010-08-01

Turn your doodles into a personal journal and into art, to boot! In the tradition of Keri Smith (Wreck This Journal, This Is Not a Book), Dawn DeVries Sokol has created a fun, easy artist's journal to get kids started with the basics. Doodle about your day; makes lists of your favorite things; write goals and daydream; try different mediums like pens, watercolors, and found art; add in family photos or ticket stubs; use Xerox transfers; and much, much more to create a casual, playful, and often thoughtful journal of your life.
