**Leah on the Offbeat** - Becky Albertalli 2018-04-24  
#1 New York Times bestseller!  
Goodreads Choice Award for the best young adult novel of the year! In this sequel to the acclaimed *Simon vs. the Homo Sapiens Agenda*—now a major motion picture, *Love, Simon*—we follow Simon’s BFF Leah as she grapples with changing friendships, first love, and senior year angst. When it comes to drumming, Leah Burke is usually on beat—but

real life isn’t always so rhythmic. She’s an anomaly in her friend group: the only child of a young, single mom, and her life is decidedly less privileged. She loves to draw but is too self-conscious to show it. And even though her mom knows she’s bisexual, she hasn’t mustered the courage to tell her friends—not even her openly gay BFF, Simon. So Leah really doesn’t know what to do when her rock-solid friend group starts to fracture

in unexpected ways. With prom and college on the horizon, tensions are running high. It's hard for Leah to strike the right note while the people she loves are fighting—especially when she realizes she might love one of them more than she ever intended. A book about the power of love and resistance from New York Times bestselling authors Becky Albertalli and Aisha Saeed. YES Jamie Goldberg is cool with volunteering for his local state senate candidate—as long as he's behind the scenes. When it comes to speaking to strangers (or, let's face it, speaking at all to almost anyone) Jamie's a choke artist. There's no way he'd ever knock on doors to ask people for their votes...until he meets Maya. NO Maya Rehman's having the worst Ramadan ever. Her best friend is too busy to hang out, her

summer trip is canceled, and now her parents are separating. Why her mother thinks the solution to her problems is political canvassing—with some awkward dude she hardly knows—is beyond her. MAYBE SO Going door to door isn't exactly glamorous, but maybe it's not the worst thing in the world. After all, the polls are getting closer—and so are Maya and Jamie. Mastering local activism is one thing. Navigating the cross-cultural crush of the century is another thing entirely.

**Our Wayward Fate** - Gloria

Chao 2020-09-01

“A story that’s sure to stick with you for a long time.” —BuzzFeed “More than a coming-of-age novel.” —School Library Journal “[An] inventive, deeply heartfelt love story that explores connections of many kinds.” —Booklist A teen outcast is simultaneously swept up in a whirlwind romance and down a rabbit hole of dark family secrets when another Taiwanese family moves to her small, predominantly white midwestern town in this

remarkable novel from the critically acclaimed author of *American Panda*. Seventeen-year-old Ali Chu knows that as the only Asian person at her school in middle-of-nowhere Indiana, she must be bland as white toast to survive. This means swapping her congee lunch for PB&Js, ignoring the clueless racism from her classmates and teachers, and keeping her mouth shut when people wrongly call her Allie instead of her actual name, pronounced Āh-lěe, after the mountain in Taiwan. Her autopilot existence is disrupted when she finds out that Chase Yu, the new kid in school, is also Taiwanese. Despite some initial resistance due to the “they belong together” whispers, Ali and Chase soon spark a chemistry rooted in competitive martial arts, joking in two languages, and, most importantly, pushing back against the discrimination they face. But when Ali’s mom finds out about the relationship, she forces Ali to end it. As Ali covertly digs into the why behind her mother’s

disapproval, she uncovers secrets about her family and Chase that force her to question everything she thought she knew about life, love, and her unknowable future. Snippets of a love story from 19th-century China (a retelling of the Chinese folktale *The Butterfly Lovers*) are interspersed with Ali’s narrative and intertwined with her fate.

Worse, the privacy of Blue, the pen name of the boy he's been emailing with, will be jeopardized. With some messy dynamics emerging in his once tight-knit group of friends and his email correspondence with Blue growing more flirtatious every day, Simon's junior year has suddenly gotten all kinds of complicated. Now change-averse Simon has to find a way to step out of his comfort zone before he's pushed out-without alienating his friends, compromising himself, or fumbling a shot at happiness with the most confusing, adorable guy he's never met. -- Andrew Smith, author of Grasshopper Jungle

*Master of One* - Jaida Jones 2020-11-10

Sinister sorcery. Gallows humor. A queer romance so glorious it could be right out of fae legend itself. *Master of One* is a fantasy unlike any other. Rags the thief has never met a pocket he couldn't pick, but when he's captured by a sorcerer with world-ending plans, he realizes even he is in over his head. Forced to use

his finely honed skills to nab pieces of an ancient fae relic, Rags is stunned to discover that those "relics" just happen to be people: A distractingly handsome Fae prince, A too-honorable Queensguard deserter, A scrappy daughter of a disgraced noble family, A deceptively sweet-natured prince, A bona fide member of the Resistance, And him. Rags. They may all be captives in the sorcerer's terrible scheme, but that won't stop them from fighting back. And, sure, six unexpected allies against one wicked enemy doesn't make for generous odds, but lucky for him, Rag's not generous—he's smart. And he has a plan that just might get them out of this alive. With the heist and intrigue of *Six of Crows* and the dark fairy tale feel of *The Cruel Prince*, this young adult fantasy debut will have readers rooting for a pair of reluctant heroes as they take on a world-ending fae prophecy, a malicious royal plot, and, most dangerously of all, their feelings for each other.

*The Girl with Ghost Eyes* - M.

H. Boroson 2015-11-03

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked

away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. - Hannah Reynolds 2021-06-15  
Perfect for fans of Morgan Matson and Ruta Sepetys, this sweet, summery romance set in Nantucket follows seventeen-year-old Abby Schoenberg as she uncovers a secret about her grandmother's life during WWII. Seventeen-year-old Abby Schoenberg isn't exactly looking forward to the summer before her senior year. She's just broken up with her first boyfriend and her friends are all off in different, exciting directions for the next three months. Abby needs a plan--an adventure of her own. Enter: the letters. They show up one rainy day along with the rest of

Abby's recently deceased grandmother's possessions. And these aren't any old letters; they're love letters. Love letters from a mystery man named Edward. Love letters from a mansion on Nantucket. Abby doesn't know much about her grandmother's past. She knows she was born in Germany and moved to the US when she was five, fleeing the Holocaust. But the details are either hazy or nonexistent; and these letters depict a life that is a bit different than the quiet one Abby knows about. And so, Abby heads to Nantucket for the summer to learn more about her grandmother and the secrets she kept. But when she meets Edward's handsome grandson, who wants to stop her from investigating, things get complicated. As Abby and Noah grow closer, the mysteries in their families deepen, and they discover that they both have to accept the burdens of their pasts if they want the kinds of futures they've always imagined.
