Selena Blake 2012-11-30

Some people are utterly unforgettable. Grayson West is that person to me. Tall, broad, ridiculously handsome, and completely unavailable. But when I close my eyes, his image is as clear as the day we met. Admittedly, a battlefield is a unique meet-cute. We were on opposite sides and there shouldn't have been an attraction between us. I've never been able to forget the hunky werewolf or the way the energy crackled between us. It was ripe with possibility. The war might be over, but that doesn't mean we're friends. In

fact, I'm on a hiatus from men. I need a break from the lies, broken promises, and heartache. Turns out, I'm lying to myself. Because a chance meeting with Grayson has me breaking all my rules. Note: Fangs, Fur & Forever was previously titled Fangs, Fur & Mistletoe.

The deal is simple: spend a month with a mysterious billionaire who is the owner of Louisiana's La Petite Mort Casino, and he'll forget my father's gambling debts. If it means saving our family home and business, I'll do anything. With his strong, sexy, take charge arrogance, Nicolas Dupont is a mystery to me. But it doesn't matter how hot he is. This is purely a business arrangement. Nic can have any woman he wants and it makes no sense that he'd be interested in a virgin like me.

I'm certainly not about to fall for a guy who thinks he can own me. So I go hunting for a way to free myself. When I discover I'm the hunted, and there are those who want my blood, Nic claims he can protect me. But can I trust one of his kind? When this began, I thought I might lose everything. Now I'm not sure if I'll make it out alive . . .
