How to Lose an Extraterrestrial in 10 Days - Susan Grant 2014-02-28
His internal computers are offline, his former employers want him dead and the Men in Black are after him. Without his cyberpowers, Reef is as weak as a lowly Earthling. He's tried to kill every human he's met—so why on Earth would they help him?

Skymates II - Steven Forrest 2005

A person whose life drifts away from the 'blueprint' of his or her birthchart grows dull, flat and depressed. It is the same for a couple -- if their life together departs from the spirit of their composite chart, their relationship runs out of gas. They stop talking. Sex evaporates. They would rather watch TV than look into each others' eyes. In this book the Forrests give you all the tools you need to explore this powerful astrological technique -- theory, real-life practical examples, and an extensive 'cookbook' section where you can jump-start your interpretations by looking up the precise meaning of any configuration. In the first volume of 'Skymates' they showed us how to compare charts. Now, they take it a step further, proving that the whole is always greater than the sum of the parts.

The Rulership Book - Rex E. Bills 2007-06

This volume, a directory of astrological correspondences, is the result of a research project that drew together the thoughts of many others into a reference book, assuming the role of a dictionary to astrologers, but vastly more complete. It is the only place where all sign, planetary and house rulerships have been brought together and put in a good workable order. It is organized in such a way that one can use the book for quick and easy reference, and it eliminates the need to search through various other volumes. In four parts: an alphabetical listing, a listing by planets, a listing by signs, a listing by houses. Plus an Appendix with special listings: principal bones of the body, principal veins of the body, chart of an organization, flavors and handwriting forms. Enthusiastically endorsed and used by professionals and students alike, no reference library is complete without this best-selling volume.

The Elves' Prophecy - Jodie Forrest 1996-01-01

What would you do if you suddenly became both infinitely psychic and unable to tell even the smallest lie? And if you were also exiled from your homeland, destitute, and unhappily in love with a darkly seductive Elf who'd forced you to undertake an impossible quest? Such is the Fate of Tomas the Rhymer, the reluctant poet-hero of this historical fantasy, wherein the Celtic and Norse realms of Elves, gods and spirits converge with Viking Age Europe's real events and shifting world-views -- and evoke some haunting parallels with our own era's rapid changes.

The How - Yrsa Daley-Ward 2021-11-02

From the acclaimed poet behind *bone*, an exploration of how we can meet our truest selves, the ones we've always been meant to become Yrsa Daley-Ward's words have resonated with hundreds of thousands of readers--through her books of poetry and memoir, *bone* and *The Terrible*; through her writing for Beyoncé on *Black Is King*; and through her always illuminating Instagram posts. Now, in *The How*, Yrsa encourages readers to begin, as she puts it, the great work of meeting ourselves. This isn't the self we've built up in response to our surroundings, or the self we manufacture to please the people around us, but instead, our most intimate self, the one we visit in dreams, the one that calls to us from a glimmering future. With a mix of short lyrical musings and her signature stunning poetry, Yrsa gently takes readers by the hand, encouraging them to join her as she explores how we can remove our filters, and see and feel more of who we really are behind the preconceived notions of propriety and manners we've accumulated with age. With a beautiful design and intriguing meditations, *The How* can be used to start conversations, to prompt writing, to delve deeper--whether you're solo, or with friends, on your feet or writing from the solace of home.

Every Body Looking - Candice Iloh 2021-09-21

A Finalist for the National Book Award When Ada leaves home for her freshman year at a Historically Black College, it's the first time she's ever been so far from her family—and the first time that she's been able to make her own choices and to seek her place in this new world. As she stumbles deeper into the world of dance and explores her sexuality, she also begins to wrestle with her past—her mother's struggle with addiction, her Nigerian father's attempts to make a home for her. Ultimately, Ada discovers she needs to brush off the destiny others have chosen for her and claim full ownership of her body and her future. "Candice Iloh's beautifully crafted narrative about family, belonging, sexuality, and telling our deepest truths in order to be whole is at once immensely readable and ultimately healing."—Jacqueline Woodson, New York Times Bestselling Author of *Brown Girl Dreaming* "An essential—and emotionally gripping and masterfully written and compulsively readable—addition to the coming-of-age canon."—Nic Stone, New York Times Bestselling Author of *Dear Martin* "This is a story about the sometimes toxic and heavy expectations set on the backs of first-generation children, the pressures woven into the family dynamic, culturally and socially. About childhood secrets with sharp teeth. And ultimately, about a liberation that taunts every young person." —Jason Reynolds, New York Times Bestselling Author of *Long Way Down*

Beyond the Best Dressed - Esther Zuckerman 2022-02-01

The ultimate red carpet companion, *Beyond the Best Dressed* is an illustrated, personality-filled romp through more than 90 years of Oscar fashion, from the elegant to the absurd. From the show-stoppingly elegant (Halle Berry winning the award for *Monster's Ball* in a breathtaking Elie Saab) to the decidedly kooky (Adam Rippon in a formal harness), the Academy Awards Telecast is one of the few nights of the year devoted entirely to glamor (in all its forms). Even in the age of streaming, millions upon millions of people sit down at the same time, turn on their televisions, and watch celebrities strut down the red carpet (and, sure, win some awards). Now fans can relive the glamor, drama,

and lasting legacy of some of the most influential outfits from more than ninety years of the Oscar in *Beyond the Best Dressed: A Cultural History of the Most Glamorous, Radical, and Scandalous Oscar Fashion*. In twenty-five essays, culture writer Esther Zuckerman romps through the iconic fashion choices that made history on the most elegant stage of all, and analyzes the cultural impact of wardrobe decisions both absurd and wonderful. Beginning with Hattie McDaniel's historic and trendsetting turquoise gown in 1940 (worn at a table segregated from her white agent), Zuckerman goes beyond the "best of" lists to shine a deserved spotlight on the truly unforgettable outfits—and deciphers what those outfits represented. *Beyond the Best Dressed* is a first-of-its-kind commemoration of Oscar fashion that perfectly captures the glitz and the glamor for anyone who has ever been to an Oscar watch party (or texted their friends while they watched alone). Fully illustrated with whimsical interpretations of the outfits—including Michelle Williams' golden Versace, Sharon Stone's iconic Gap t-shirt, and Rita Moreno's groundbreaking dress worn in both 1962 and 2018—this book is a joyful and vivid odyssey that doesn't stop at the hem of the dress, delving deeper into the cultural effect of these fashion flash points with research and original reporting.

Time - Briton Hadden 1954

Yesterday's Sky - Steven Forrest 2008

According to professional astrologer Steven Forrest, behind your familiar astrological chart lies another chart entirely, one whose existence you may never have suspected. This chart tells the tale of who you were in a prior lifetime. It speaks of what wounded you then and what work you left undone.

(Hint: a lot!) —And if you want to start at the very beginning, what is the zodiac anyway? *The Astrology Dictionary* has all the answers to your most important astrology questions, from birthing charts and retrograde, to sun signs and elements, and everything in between. This fascinating and practical dictionary explains it all, so you can spend more time discovering what the zodiac means to you.

Life - Henry Robinson Luce 1955

Skymates - Steven Forrest 1989-01-01

By re-interpreting traditional tenets of astrology, the authors show couples whose stars are in opposition how to use the knowledge in *Skymates* to strengthen rather than abandon their relationships. Offers insights on how the stars affect love and intimacy and cites famous couples as examples.

Once a Pirate - Susan Grant Gunning Grant 2017-09

Once a pirate Always her man When Navy Lieutenant Carly Callahan is forced to bail out of her fighter jet during a freak storm, she plummets into the greatest battle of her life—two hundred years before she was born. Rescued by a pirate captain who believes she's an heiress, she learns she's the pawn in his plan to exact revenge against his sworn enemy. Nobleman turned pirate Andrew Spencer has one goal: to ruin the man who destroyed his life. But the strangely garbed blonde he hoists onto his deck not only refuses to admit she's his highborn target, but insists she's from another century. The more time they spend together, the more he wants to believe her talk of flying machines and the future. Her bravery and fire is enough to melt his cold heart and convince him to reconsider his plans of vengeance. A desperate bid to fulfill their dream of a life together is their only option...if they can find each other again through time.

Hawk: Sky Mates (Intergalactic Dating Agency) - Susan Grant 2020-10-15

In a small town in Texas, a woman on a mission meets a big alien warrior with a tender heart... Commander of the fierce air warriors of Sky's End, Hakkim "Hawk" comes to Earth for business, not pleasure. The future of his remote world depends on his squadron finding their perfect matches and flying partners. With responsibility for the mission's success resting

on his shoulders, finding his own mate never occurs to him—until he crosses paths with the Terran pilot assigned to work with him on Project: Sky Mates. Fighter pilot Captain Kelly “Crackers” Ritz has always been better at flying than dating. Jets can be dangerous, but they’ll never break your heart. Avoiding love has been easy—until she’s selected to be the liaison for a team of mysterious alien pilots. She feels an instant connection with their part-cyborg leader. But she’s supposed to work with him, not fall for him—isn’t she? With only a few weeks to go before he has to return home, can Hawk convince Kelly to take a chance on love before he’s forced to leave her forever? Join the world of SKY MATES and read HAWK today! The Ultimate Guide to Chakras - Athena Perrakis 2018-09-11

With *The Ultimate Guide to Chakras*, tune in to your chakras, the power centers connecting your physical body and the world of energy. Your chakras are the power centers that translate between the seen world of the physical body and the unseen world of energy. First discussed in ancient Hindu texts and studied for thousands of years in numerous spiritual traditions, including acupuncture, meditation, and yoga, chakras hold the key to our well-being. By tapping into the power of our chakras, we can live healthier, balanced, and more abundant lives. Athena Perrakis, leading metaphysical teacher and creator of the world's largest online metaphysical resource website, SageGoddess.com, addresses the nine major chakras we can tap into to balance, heal, and manifest. This guide explains how and why different crystals, essential oils, and sacred plants help to support each chakra. Each chapter of *The Ultimate Guide to Chakras* includes magical exercises for accessing the energy of each chakra, including meditations, journal exercises, and working with goddesses and spirit guides. Readers will even learn how to create a dedicated chakra altar. Lavishly photographed and illustrated, this guide promises to be an essential volume for beginners and experienced energy workers alike. The *Ultimate Guide to...* series offers comprehensive beginner’s guides to discovering a range of mind, body, spirit topics, including tarot, divination, crystal grids, numerology, witchcraft, aromatherapy, and more. Filled with beautiful illustrations and designed to give easy access to the information you’re looking for, each of these references provides simple-to-follow expert guidance as you learn and master your practice.

Two heavy-hitters in children's literature deliver a critically acclaimed, bestselling biographical novel of cultural icon Muhammad Ali. "This utterly delightful story about Ali's childhood is a smash hit."—School Library Journal (starred review) Before he was a household name, Cassius Clay was a kid with struggles like any other. Kwame Alexander and James Patterson join forces to vividly depict his life up to age seventeen in both prose and verse, including his childhood friends, struggles in school, the racism he faced, and his discovery of boxing. Readers will learn about Cassius' family and neighbors in Louisville, Kentucky, and how, after a thief stole his bike, Cassius began training as an amateur boxer at age twelve. Before long, he won his first Golden Gloves bout and began his transformation into the unrivaled Muhammad Ali. Fully authorized by and written in cooperation with the Muhammad Ali estate, and vividly brought to life by Dawud Anyabwile's dynamic artwork, *Becoming Muhammad Ali* captures the budding charisma and youthful personality of one of the greatest sports heroes of all time. Longlisted for the 2022-2023 Indiana Young Hoosier Book Award, and nominated for the 2021-2022 Black Eyed Susan Book Award!

Her Sky Mates - Meg Ripley 2020

I went from soaring in planes to soaring right into huge responsibilities. With the death of my mother, Queen Omera, my time had come. Ready or not, I had to face the wind with my feathers at my back and my Griffin beak held high. With my sister Althea in the thick of it, and my two other sisters off searching for the three mates that would bind their magic forever, I was clueless as where to even start. Waiting for a sign began to feel pointless...until an ill-fated fall from my weekly bungee adventures brought more than just exhilaration. My mind was focused on the danger ahead, those Dark Shifters threatening the very existence of our species, but magic and fate hid gifts around each corner. Alo, Frodi, and Arsenio weren't expected but they became my mind, body, and soul. But just because I've got my new family at my back, doesn't mean I'll win the fiery battle ahead. From beyond the grave evil stirs and its sights are set on the stone that calls to me in my dreams. As I climb the icy slopes to freedom for all, I can't help but wonder if I'll take them all with me into the frigid grounds below. Fate plays no part in the battle for the Shifters.

This is a fast burn standalone reverse harem shifter romance. Readers 18+.

Changing Sky - Steven Forrest 2008-03-01

Steven Forrest, author of the award-winning and critically-acclaimed "The Inner Sky", follows that work with this empowering look at choice-centred "predictive" astrology -- an astrology in which we predict the questions people face at certain times, but never the answers they will give! The astrologer here is not so much a prophet as a coach. You are never confined to an inescapable fate. Instead the planets offer you a whirling kaleidoscope of possibilities, with your freedom and the power of your imagination in the driver's seat.

The Endless Sky - Steven Forrest 2021-11

Award-winning astrologer Steven Forrest offers a collection of seventy-two short, penetrating essays spanning two decades and soaring over the wide world of evolutionary astrology. What is the truth about Mercury retrograde? Are you doomed if you have a planet "in detriment?" Why did Vincent Van Gogh's chart still work long after he was dead and gone? Steven writes, "I picture this book like an astrology friend - someone you met at a class or a conference a year or two ago. Maybe you get together for coffee every few months and talk about charts." Like those serendipitous, freewheeling conversations, you never know exactly where *The Endless Sky* is going to lead. As you explore these pages, magic happens: you find yourself escaping the pigeon-holing attitudes of conventional astrology and replacing them with the fresh air of freedom, choice, and imagination.
